# You Have Choices

**If you are facing an unplanned pregnancy you may be afraid and confused about what you should do. We can help you sort out your feelings and start planning for the future.**

**Catholic Charities of Wyoming has been providing free, confidential pregnancy counseling and adoption services to women and families of all faiths for many years.**

**We have counselors available statewide to help you explore the options available to you so you can make the best decisions for yourself and your baby.**

**We can help you learn about available community resources to assist you if you choose to keep your baby, or we can help you through an adoption if you decide it's the best option for you.**

## Our Support Services Include:

- ~ **Assistance with decision making, coping, and planning for yourself and your child**
- ~ **Information about available community resources**
- ~ **Counseling to help you deal with your friends, family, and partner**
- ~ **Information about the types of adoption plans we offer and which will best match your wants and needs**
- ~ **Individually created profiles of approved families to view and choose from**

## Some Advantages of Agency Adoption with Catholic Charities of Wyoming

Standards that meet state certification requirements

Non-profit services with the best interest of the child at heart

Trained, knowledgeable caseworkers specializing in these services

Permanent records

Home studied families to choose from

Caseworkers who help you look at options but don't pressure or make decisions for you

Ongoing availability to meet your needs

Limited assistance with basic needs thanks to donations

Placement and post-placement supervisory services to support successful placements

Adoption exchange memberships and access to the national Catholic Charities network's resources
